Tom,  
We do not. I think the building was owned by IPSCO (Illinois Piping Systems), until approx. a few years ago. They moved to Texas, and there was a for sale sign posted. I don't know if the building ever sold.

Joe,

Thank you for your August 11, 2003, letter. Do you or your client have any information on the identity of the current owner of this property? Thank you for your cooperation.
